WELCOME TO CCRVC

Canada's National Campground Association

About

The Canadian Camping and RV Council (CCRVC) is an Association comprised of the Provincial Campground Owners' Associations and their member private campgrounds, the RVDA of Canada and the Canadian Recreational Vehicle Association.

Mission

Canadian Camping and RV Council's mission is to provide for the betterment and to support the Canadian RVing and Camping Industry in Canada.

Vision

Canadian Camping and RV Council promotes a thriving and vibrant Camping and RV industry through collaboration with our Provincial Members, Individual Private Campground Owners and our RV Industry Partners.

Member Benefits

The Canadian Camping and RV Council provides their members with the services and support that RV Parks and Campgrounds need to be successful while helping to promote the growth and development of the Canadian RV and Camping Industry. This is accomplished through member promotion, exclusive cost-saving programs, legislative consulting and industry representation with the Federal Government of Canada.

By uniting Park and Campground owners with its industry partners RVDA of Canada, Canadian Recreational Vehicle Association and Go RVing Canada we can work together to grow the industry and secure the future success of our members. CCRVC encourages and promotes high operational standards, exceptional customer service and quality outdoor vacation and accommodation experiences.

If you're not a yet a member, we encourage you to take a few minutes to explore this site and discover the many valuable benefits and services CCRVC can bring to your business.
